### Universal Selected as EJM's Preferred Service Provider

Houston, TX – Executive Jet<sup>®</sup> Management has selected Universal Weather and Aviation, Inc. as its preferred service provider for all international flight planning and support, effective Jan. 1, 2007.

The agreement is in support of Executive Jet Management's effort to align with one support vendor that shares common goals, vision, and future growth potential. Universal Weather and Aviation, Inc., the recognized pioneer in trip support services for business aviation, was chosen because Executive Jet Management and Universal<sup>®</sup> share a process-focused philosophy, commitment to Six Sigma principles, and an unwavering dedication to quality.

Executive Jet Management, a NetJets<sup>®</sup> company owned by Berkshire Hathaway, is a leading provider of worldwide private jet charter and aircraft management services. Drawing on more than 40 years of experience, Executive Jet Management logs more than 40,000 flight hours and more than 15 million miles per year, and has been voted "Best Charter Service" by *Professional Pilot* magazine subscribers for nine years running.
