I \_\_\_\_\_ the authorized representative or owner, have read and agree to comply with the Terms and conditions for the use of the Inmarsat space segment, in particular with all applicable national laws and regulations relating to the use of Inmarsat Mobile Terminals.

### AERO INMARSAT/IRIDIUM ACTIVATIONS:

I/We are an authorized representative of the company and certify that the information on this form is true and correct. I/We authorize Universal Weather and Aviation, Inc. ("UVdatalink<sup>®</sup>") to investigate any and all financial references and all other relevant materials provided to UVdatalink. I/we understand that all costs associated with collecting past due accounts shall be borne by the purchaser. I/We agree to pay all Inmarsat and Iridium accounts on a monthly basis and which are due 20 days from the date of invoice. Inmarsat and Iridium accounts that are past due will have a 1.5% late fee applied every month the account is past due. If the customer elects to pay via wire payment, the customer is responsible for all wire transfer costs. UVdatalink has the right to deny service to any account that is past due and also reserves the right to deny service based upon information supplied.

In addition to the UVdatalink terms and conditions outlined herein, I/We agree with all Inmarsat Terms and Conditions (a copy of which is attached hereto) and agree to comply with all national and international regulations for licensing, installation, operation and use of the Aircraft Earth Station (AES). Failure to comply with any of the terms and conditions can result in the barring or suspension of the AES. I/We understand that UVdatalink will be the Inmarsat/Iridium Service Provider for this aircraft. **The term of this Agreement will be effective until written notification to cancel services is received by UVdatalink.** I/We also understand that UVdatalink must be notified in writing for any changes in ownership or status of the AES. I/We understand that our company will remain liable for all charges and services until the date our account is properly cancelled through UVdatalink and the Inmarsat/Iridium network. I/We agree to pay for any delayed Inmarsat/Iridium call traffic received by UVdatalink for our Satcom usage, provided that the usage occurred during our ownership of the AES as defined by our written notification to UVdatalink via activation request and subsequent deactivation request. I/We agree to pay for any and all call traffic received at UVdatalink from the ground earth stations, including call traffic generated through equipment testing, equipment failure or automatic updates from your cabin information/weather update system.

I/We agree that we will not hold UVdatalink liable for any claims, including without limitation those due to unavailability, delay, or interruption in satellite services, such claims extending to damage, expense, and loss of life, and we will indemnify UVdatalink for such damage, expense, or loss resulting therefrom. The laws of the State of Texas, USA, will govern this Agreement. The parties shall make every effort to reach an amicable settlement suitable to both parties. In the event a settlement cannot be reached, the venue of any action arising out of this Agreement shall be proper in the State or Federal Courts situated in Houston, Harris County, Texas.

Invoice Payments must be sent to: Universal Weather and Aviation, Inc., 8787 Tallyho, Houston, Texas 77061.
